KAU MANOR

TRIIGI, ESTONIA

20

American film-maker and artist Mary Jordan turned Kau Manor into an exclusive boutique hotel.

With the utmost care, she choose antique furniture and original, exquisite works of art. Classic AXOR bathroom fixtures, showers and accessories.

With a respect for the history and architecture of the manor, which dates back to the 13th century. Classical and comfortable.

Kau Manor is far more than a luxury hotel. It is an icon with a vibrant history and a wealth of stories to tell. Its 19 rooms bear witness to lives of adventure and exploring the world.

Kau Manor is fitted with faucets, showerpipes, bathtub fillers and accessories from the AXOR Montreux collection.

»It is important for me to seek out products for their sustainability properties as well. The AXOR Montreux collection is efficient in its water consumption. With the AXOR brand, I can rest assured that the product I am planning in for my design is perfect. After all, it has to satisfy my customers and hotel guests for many years to come. I am saying this as a hotel owner and interior designer.«
